

**04 March ~ Tuesday**

This is our last day. Our flight is at 5:55pm, hotel departure 3:30pm and check-out 12:00 noon.

Down to the pool for a last ray of sunshine.

Christine sees everyone off. A long day for her.

We are both brown. Jan sees her skin doctor next week. 'Forgive me Doctor, for I have sinned.'

At the airport we go through 'Agricultural Check-in' which includes our sandwiches.

Kona Airport is all outside. A series of huts and kiosks. Thank goodness there is no sign of rain.

The flight and return to Rockford is a mirror image of our outward journey.

At least there is no snow on the car.

441. Earthquake damage.

442. Kona Airport Terminal.

**THE END**
